Sir:

I, ROBYN HESS, hereby declare as follows:

1. I am the Manager of the International and Docketing Department for the firm of Townsend and Townsend and Crew LLP, ("Townsend").
2. My business address is: Townsend and Townsend and Crew, Two Embarcadero Center, 8th Floor, San Francisco, CA 94111.
3. I have been continuously employed by Townsend since March 1998.
4. The Townsend procedure for handling U.S. Patent and Trademark Office ("PTO") mail is outlined below:
  - a. All incoming PTO mail is directed to the attention of the U.S. Docketing Department.

b. Using a computerized docketing system, due dates are calendared, and the original document is marked with the Townsend docket number, working attorney initials and response due date, if any. The original PTO document is then forwarded to the working attorney.

5. On or about August 25, 2003, and upon the request of attorney Laurence J. Hyman, I conducted a search of the computer records for any information/documentation relating to the above-identified application. I found no evidence that the firm received any communication from the PTO regarding this application between the filing of Mr. Hyman's Amendment dated June 19, 2002, and the Notice of Abandonment.

6. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Dated: August 25, 2003
